

IMPORTANT NOTICE

Saturday Closing

Beginning Saturday, March 22, 1947, this bank, in common with all banks in greater Hartford, will be closed on Saturdays. This action is taken in accordance with an Act of the Connecticut Legislature, making Saturdays legal holidays for purposes of the Negotiable Instruments Law, and brings the banking hours in Connecticut into conformity with those of banks in Massachusetts, Rhode Island and New York.

Attention is called to our night depository, which is available as a weekend convenience.
