

Basic Detail Report

**Title Interior of house built by Mary Bushnell Cheney, Keene Valley,
New York**

Date 1910

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin emulsion on glass

Description A large stone fireplace is the left of a large unfinished room in a house or cottage. Two tall candles in candlesticks are on the mantelpiece. The joists and studs of the portions of the walls and ceiling are exposed. A kerosene lamp is on a table at the right. The only other furnishings visible are two wicker armchairs.

Dimensions Primary Dimensions (height x width): 4 x 5in. (10.2 x 12.7cm)
