

Hand-drawn architectural sketch of a tall, slender tower. The drawing includes a perspective view and a cross-section diagram. Annotations include:

- TOP 1 SQUARE with 4 TRIANGLES & 4 LONG RECTANGLES
- HORIZON 400'
- 7/24/67 PM
- #2 - CLOSE

Date 1987

Basic Detail Report

Primary Maker Richard Welling

Medium Drawings; black ink on paper

Description Five drawings of 180 Allyn in downtown Hartford, Connecticut. The modern skyscraper is depicted from the same angle in all five drawings, with what is presumably its inset front entrance at the bottom right. Three of the drawings are detailed and two are not.

Dimensions Sheet (height x width): 16 5/8 x 14 1/8in. (42.2 x 35.9cm) and smaller
