Title Unbuilt Parking Structure and Marina Over Connecticut River

Date after 1984

Primary Maker Richard Welling

Medium Drawing; black ink on paper

Description Drawing of a parking garage with a marina underneath it spanning the Connecticut River between Hartford and East Hartford. The structure, whether proposed or simply imagined, was never built. In the background, the buildings of Hartford are visible, including several that were proposed but never constructed. From left to right, the drawing includes Travelers Tower, Cutter Financial Center (never built), one of the PlazaWest towers (never built), City Place, and 180 Allyn (never built). The Bulkeley Bridge is on the right.
