Description Crowds of spectators line Trinity Street as military units march

through the Soldiers and Sailors Memorial Arch and across the Ford Street

bridge. The arch has round gothic towers and a sculptured frieze. The Park River

bordered by a stone retaining wall and an embankment is in the foreground.

Commercial and industrial buildings and the steeples of two churches are in the

distance. A building at the left has a sign that reads: "Monuments." A large tent

and a fountain are in the park in the background. Several trees appear to be

elms.
