

Basic Detail Report

Title Barnard House, Retreat Avenue, Hartford

Date before 1882

Primary Maker Edwin Whitefield

Medium Drawing; pencil and watercolored on lined notebook paper

Description A clapboard, center chimney house one room deep has an added leanto at the back. There are three steps leading to the front door. There are five windows across the front. The house is surrounded by a grassy lawn and there is a large bush on the right front corner of the house, and a large tree in front of the house by the sidewalk. A dirt street is in the left foreground.
