Basic Detail Report

Title Woman's Boots

Date about 1912

Primary Maker Unknown

Medium Machine-stitched leather and cotton, with cotton shoelace tipped in metal

Description Laced boots, with a whole fox of shiny black leather and a top of duller black leather. The toes are pointed and the blocky stacked heel is 1 1/4-inches high. The boots have a decorative toe cap. They lace up the center front of the top with a dark brown cotton cord, tipped with painted black metal, and backed with a black leather tongue. The top edge and laced edges are faced with black leather; the rest of the upper is lined with white twill-woven cotton. The soles are shaped for the right and left foot.
