## Title Man's Mitten

Date 1869-1889

Primary Maker Leatherman

Medium Hand-stitched and machine-stitched leather and plain-woven brown cotton tape

Description Hand-stitched and machine-stitched right-hand mitten made of brown leather. The thumb piece is sewn in two pieces and is whipstitched to the body of the mitten with a leather strip. One of the seams on the thumb is also whipstitched with leather, with reinforcement stitches at the tip of the thumb. The body of the mitten is made of two pieces sewn together at the sides. The bottom edge of the mitten is bound in plain-woven brown cotton tape, stitched on by machine. The mitten was owned by Jules Bourglay, also known as the Leatherman.
