Description Frame residential buildings line a dirt street with trolley tracks. The house at the left has a gambrel roof, louvered shutters and a board fence. Someof the leafless trees appear to be elms. A small commercial building with a sign that may read "LAUNDRY" has a large awning. Part of the brownstone Gothic revival South Baptist Church is visible at the far right. Utility poles and a light pole are on the paved sidewalks. Ghost images of figures, blurred from movement, are at the far left.
