Basic Detail Report

Title Stanley Works, New Britain

Date about 1905

Primary Maker Woodbury Carlton Co.

Medium Drawing; ink, wash, gouache, and graphite on heavy wove paper

Description Complex of industrial buildings, some with smokestacks, chimneys, and skylights. One building has an exterior stair tower. One has decorative corbel tables and round arched windows. A grassy lawn is between two buildings at the left. Horse-drawn vehicles and an early automobile, probably an electric automobile are on the streets in the foreground. Men walk on the sidewalks. A passenger train drawn by a steam locomotive is on railroad tracks in the background. Houses and trees line the street in the immediate foreground. Additional houses and trees are in the background.

Dimensions Primary Dimensions (image height x width): 18 x 59 5/8in. (45.7 x 151.4cm) Sheet (height x width): 22 15/16 x 62 1/4in. (58.3 x 158.1cm)
