

Basic Detail Report

Title Petticoat

Date about 1905-1920

Primary Maker Unknown

Medium Machine-stitched and hand-stitched cotton and cotton filet lace

Description Woman's white cotton petticoat with a drawstring waist and center back opening. The petticoat has a 13 1/4-inch-deep flounce headed with an inset of filet lace and another row of filet lace over a row of embroidered self-fabric.

Basic Detail Report

This flounce, which is edged with filet lace, is sewn over the petticoat, so that there is a double layer for extra fullness. Under the flounce, the petticoat is trimmed with narrow filet lace.

Dimensions Primary Dimensions (length x hem diameter): 31 1/4 x 61 1/2in. (79.4 x 156.2cm)
