Basic Detail Report

Title Petticoat

Date about 1895-1905

Primary Maker Mrs. A. G. Holcombe

Medium Machine-stitched cotton

Description Woman's white cotton petticoat, with a drawstring waist across the

back; the front is flat. A 15 1/2-inch-deep flounce of machine-embroidered eyelet

is stitched over the petticoat, creating a double layer for extra fullness below the knee. Under the flounce, the petticoat is edged with a self-fabric ruffle. The center back opening is nine inches deep.

Dimensions Primary Dimensions (length): 37in. (94cm)
