

Basic Detail Report

Title Woman's Scarf

Date about 1847

Primary Maker Sarah Maria Mansfield

Medium Hand-embroidered cotton

Description Woman's neck scarf made of fine white cotton. It is shaped like a diamond with elongated ends. It folds in half along the bias, with the narrow ends in front. It is hand-embroidered in white thread with a floral design at one of the broad corners. The scalloped edges are finished with buttonhole stitching. Three dots are embroidered within each scallop.

Dimensions Primary Dimensions (length x width): 24 1/2 x 44 1/2in. (62.2 x 113cm)
