Basic Detail Report

Title Infant's Dress

Date about 1860

Primary Maker Unknown

Basic Detail Report

Medium Hand-stitched cotton, with silk/cotton ribbon

Description Infant's dress of white cotton, cut very full and gathered on a double drawstring across the wide neckline and on four drawstrings at the waist. The short sleeves have a wrapped effect on the top, with the edges trimmed with narrow, scalloped whitework embroidery. One sleeve retains its pink grosgrain ribbon bow, tied around the top of the sleeve. The center back opening extends ten inches and fastens with the drawstrings.

Dimensions Primary Dimensions (length x width across top): 38 5/8 x 12 1/2in. (98.1 x 31.8cm)
