short sleeves are set smoothly into the armscye and are slightly flared at the openings. The neckline is trimmed with a single row of pale olive-colored velvet ribbon; two rows of the ribbon are sewn over the waistband. There is evidence that this velvet ribbon also once trimmed the sleeve openings. The full skirt is pleated into the waistband. It is trimmed about 3 1/2 inches above the bottom edge with a one-inch-wide brown silk ribbon. The center back opening extends 9 1/4 inches and fastens with brass hooks and eyes.
