Title Stereoscopic Views Of New Haven

Date 1860-1871

Primary Maker J.K. Bundy

Medium Photography; albumen prints on paper on cardboard mount

Description Views of New Haven, including a series taken from the depot tower and one view taken from City Hall tower. These include rooftops, frame houses, other buildings, and church steeples. New Haven harbor is visible in the background of one picture. One view shows brick academic buildings of Yale College, another shows New Haven green. Both views include elm trees. Another shows the gothic interior of Trinity Church with a large pipe organ. Two views are of the waterfront. A schooner and other vessels are at a wharf.
