Date 1852-1853

Primary Maker E.C. Kellogg & Co.

Medium Lithography; printer's ink and watercolor on wove paper

Description A three-masted warship is facing left. Small figures of men are visible on deck, on the bowsprit, on the ratlines, and on the yardarms, presumably in the act of unfurling the sails. Thirty-two cannons are visible through the gunports, which are arranged in three levels. Flags and pennants fly from the masts. A figurehead carved to represent the Duke of Wellington is on the prow of the ship. Numerous small sailboats are in the choppy water around the ship. People crowd the decks of a small steamboat at the far right.
