Primary Maker Edwin Augustus Moore

Medium Drawings; pencil or black ink on wove paper, tracing paper, or cardboard

Description Drawings and sketches include portraits of men, women, and children. One portrait is based on an early photograph of Nelson A. Moore as a young man. Other drawings show women sketching while seated in an interior; a man in a military uniform seated on a folding chair beside a table; a man rowing a boat; a figure in ancient dress, probably copied from a book illustration; a crowd of people descending from a building, and a man in an overcoat between two men in military uniforms, probably copied from a magazine illustration; and nude bathers in a landscape.
