Title Dish

Date about 1925-1930

Primary Maker Shenango China Company

Medium Mechanically-molded vitrified china with underglaze decorations in black, green, tan, blue, and pink

Description Shallow, oval, white vitrified china dish with an undulating rim and underglaze, printed decoration. The decoration consists of a border at the rim made up of dark green, almost brown, rectangular geometric shapes with fine geometric patterns in blue and tan filling some of the spaces created by the rectangles. The remainder of the decoration is floral, with two pink flowers and
