Basic Detail Report

Description Pair of pressed colorless lead glass candlesticks in what is known as the "Petal and Loop" pattern. Each candlestick consists of a pressed hexagonal candle socket with six petals around the rim, above a baluster-shaped stem. This is joined by a wafer of glass to a hollow, separately pressed, dome-shaped base with seven inverted loops, or flutes, around it. There is a chip in the foot of candlestick .1. The candlesticks have wax adhered to the exterior (.1 and .2), on the rim (.1), and on the base (.2).

Dimensions Primary Dimensions (height x diameter of each candlestick): 7 x 4 3 /8in. (17.8 x 11.1cm)
