Medium Pressed colorless lead glass

Description Pair of small, pressed colorless lead glass plates, each with a slightly raised edge, shallow curved sides, and a flat bottom. A pattern, known as the "Bigler" pattern, is pressed into the bottom of each plate. The pattern consists of a radiating, octagonal star in the center. This is surrounded by alternating

arched flutes and straight lines, found on the sides of each plate. There are a few

scratches and some light wear on the bottom of each plate. Plate 1974.56.958

deaccessioned in 2006.

Dimensions Primary Dimensions (diameter of each plate): 6 1/8in. (15.6cm)
