

Basic Detail Report

Title Two-Car Garage of Rocco L. Rossetti

Date 1948

Primary Maker John J. McMahon

Medium Drawing; pencil on tracing paper

Description Design for a garage includes plans, elevations, and plot plan on a single sheet. Plans show the dimensions of the plot, the roof framing, garage floor, and foundation. The elevations show the south rear, north front, and side. The garage has louver frames, a concrete floor, and roll-up doors.

Dimensions Primary Dimensions (image height x width): 17 1/4 x 30 1/4in. (43.8 x 76.8cm) Sheet (height x width): 22 x 35in. (55.9 x 88.9cm)
