

Basic Detail Report

Title Paperweight

Date about 1890-1910

Primary Maker Unknown

Medium Pressed colorless glass, with an albumen print on paper

Description Pressed colorless glass paperweight consisting of a rectangular glass block with curved edges and corners. The bottom surface of the paperweight is recessed. A black and white photograph is applied onto a piece of paper that fits into the recessed area. In the right foreground of the photograph, there is a structure consisting of two round towers on either side of a roadway, supporting an arch over the roadway. The roadway enters a park-like, wooded area with a white, multi-story building with a tall cupola in the center background. Portions of the edge of the photograph may be separating from the glass.
