Medium Pressed colorless glass with black and white transfer decoration

Description Pressed colorless glass paperweight with black and white transfer decoration. The paperweight consists of a rectangular glass block with curved edges and corners. The bottom surface of the paperweight is recessed. A design, applied using a black and white transfer printing process, is applied into this recessed area and is visible through the top of the paperweight. The design shows a piece of metal machinery surrounded by text. The machine slopes down to the left and has many levers and moving mechanical parts. A horizontal portion of the machine has the small words, "THE BABCOCK PRESS MFG. CO."
