Basic Detail Report

Title Miniature Basket

Date probably 1840-1870

Primary Maker Pequot People

Medium Plain-woven ash and oak

Description Square to rectangular miniature basket made of plain-woven ash and oak. The round to oval rim is single wrapped and double reinforced, with

half-round interior and exterior reinforcement. The rim has been repaired with string. A bail handle attaches on the interior of the basket. The warp and weft splints are medium width. The base is openwork. Unit painting of dots in Mohegan pink decorates the basket. It has a heavy patina.

Dimensions Primary Dimensions (height x width x depth): 7 x 6 1/8 x 5 3/8in. (17.8 x 15.6 x 13.7cm)
