Title Covered Basket

Date 1840

Primary Maker Nipmuc People

Medium Plain-woven ash and oak

Description Rectangular covered storage basket made of plain-woven ash and oak. The basket has a slightly tapered neck. The rectangular rim is single wrapped and double reinforced, with half-round interior and exterior reinforcement. The basket has two twig bail handles, wrapped with splint. The

Basic Detail Report

warp and weft splints are medium width, with three narrow-fitting splints at the

base. The base is closed. Tight geometric and open geometric designs are

painted in indigo blue and red lead. There is a small number "40" painted in

indigo. The rectangular cover (.b) has acute corners. It is decorated with unit-

painted bars and X's, as well as a central medallion in blue and orange.

Dimensions Primary Dimensions (height x width x depth): 13 1/4 x 12 1/2 x 11in.

(33.7 x 31.8 x 27.9cm)
