

Basic Detail Report

Title Covered Basket

Date 1830-1840

Primary Maker Nipmuc People

Medium Plain-woven ash

Description Rectangular covered storage basket made of plain-woven ash. The basket has a bulging shoulder, wrapped handles, and a square rim. The rim is single wrapped and double reinforced, with half-round interior and exterior reinforcements. The warp and weft splints are medium width. Unit designs and possibly floral designs are colored with Spanish brown.

Dimensions Primary Dimensions (height x width x depth): 12 x 16 3/4 x 14 1/2in.

(30.5 x 42.5 x 36.8cm)
