

Basic Detail Report

Title Balls

Date 1858

Primary Maker Albert G. Walker

Medium Wood and black paint

Description Two small wooden balls covered with black paint. The balls are not perfectly spherical; the top and bottom of each ball are slightly rough and have an indentation, where they may have been gripped while being turned. Ball .b has a few thin spots in the paint, where you can catch glimpses of the light colored wood underneath.

Dimensions Primary Dimensions (approximate diameter of each ball): 1 1/4in. (3.2cm)
