Basic Detail Report

Title Early Automobile / Statue of Minuteman

Date 1947

Primary Maker HH Art Studios Inc.

Medium Drawing; ink and graphite on cream colored wove paper

Description Two individual drawings on one page. The drawing on the left shows four men riding in an open automobile, possibly meant to be an electric vehicle, driving by a factory building with a tall square cupola with a clock. The drawing on the right shows a man standing on what appear to be rocks, and holding a rifle.

Dimensions Primary Dimensions (height x width): 9 3/8 x 13 3/8in. (23.8 x 34cm)
