Basic Detail Report

Title Torrington's Mast Swamp

Date 1947

Primary Maker HH Art Studios Inc.

Basic Detail Report

Medium Drawing; ink and gouache with graphite on white wove paper mounted to board

Description Drawing depicting men cutting down trees in a forest. In the foreground is a man wearing a tri-corner hat standing by a tree stump. He has one arm up in the air holding an ax and waving to another man in the background cutting down a tall tree. Another man holding a switch drives oxen pulling logs.

Dimensions Primary Dimensions (height x width): 21 15/16 x 14 3/4in. (55.7 x 37.4 cm)
