Basic Detail Report

Title Airplanes at Brainard Field and Rentchler Field

Date 1938

Primary Maker Edward W. Jessop

Medium Photography; gelatin silver prints on paper on paper album pages

Description Photographs show a variety of airplanes, including attack planes, bombers, passenger planes, and transport planes, on the airport tarmack at Brainard Field in Hartford and Rentschler Field in East Hartford. Men stand beside the planes in some photographs. In some photographs the pavement is wet as if from rain. Two photographs include part of an automobile in the foreground.
