Basic Detail Report

Title Traffic bottleneck on Merritt Parkway

Date 1955

Primary Maker Unknown

Medium Photography; gelatin silver print on paper

Description View looking down, probably from a bridge or overpass, at the

Merritt Parkway, a divided two-lane highway with cars lined up apparently

stopped or stuck in traffic. The lanes going the opposite way appear to be clear with only a few cars. At the left, as an onramp a car is stopped and several people, most appear to be men, are standing by the front of the car. There road is lined by trees on either side, mostly visible in the background.
