

Basic Detail Report

Title House for C. Gilbert Shepard, 4 Mohawk Road, West Hartford

Date 1930

Primary Maker Lester Beach Scheide

Medium Architectural drawings; pencil and ink on paper

Description Plans for a three story brick Colonial Revival residence. The house is cross-gabled with a slate roof and clapboards under the center gable eaves. It features the following elements: to asymmetrical wings on the west side (end wing is actually a garage), bay windows, double-hung sash windows, center facade balcony, paneled door with side pilasters, dormer attic windows, and french doors in the rear. There are a total of 62 drawings in this set which include elevations, floor plans, details, an alternate set, and a wallpaper sample. First floor rooms include, flagstone porches and a vestibule, living room, reception hall, dining room, library, closets, storage, pantry, servant's dining room, kitchen, and garage. For the second floor, the architect planned: a wardrobe
