

Basic Detail Report

Title Rocket Ride, Danbury Fair

Date about 1975

Primary Maker Jeffrey Yardis

Medium Photography; gelatin silver print on paper

Description A mural depicts a rocket taking off, stages separating, a lunar module touching down or taking off, and a space capsule with a parachute spashing down in the ocean while a helicopter hovers nearby. Flags fly from the top of the panel. An amusement park ride with a series of capsules is in the foreground.

Dimensions Primary Dimensions (image height x width): 6 1/2 x 9 1/2in. (16.5 x 24.1cm) Sheet (height x width): 6 3/4 x 10in. (17.1 x 25.4cm)
