Medium Architectural drawings; pencil, black ink, and red ink on linen paper

Description Plans for a three story house in the farm house style feature a

hipped roof with overhanging eaves and cross gables on all four elevations.

Notable features of the house include tinned roofed attic dormers on the rear

and north elevations, as well as a large seated bay window with scroll-sawn

bracket details on the second floor stair landing. The windows on the house are

primarily louvered double-hung sash windows in either the six-over-six, six-over-

one, or four-over-over configurations. Other windows featured include large tri-

part windows on the north and front elevations, as well as roundel, and quarter-
