Basic Detail Report

Title Point-No-Point, Seaside Park, Bridgeport, Conn.

Date about 1910

Primary Maker Unknown

Medium Photomechanical prints; colored printer's inks on postcard

Description A man, women, boys, and girls are gathered around a cannon mounted on a stone base. A pile of cannon balls is on a similar base nearby. One woman is holding a parasol. One boy has a bicycle. An American flage flies from a flagpole. A ladder is leaning against a stone wall and leads down into the water at the right. A steamboat and the buildings of a large city are in the background.
