

Basic Detail Report

Title Seaside Park Drive, Bridgeport, Conn. with American Flag on Tower

Date 1915-1930

Primary Maker C.T. American Art

Medium Photomechanical prints; colored printer's inks on postcard

Description A automobile is on a road between grassy lawns lined with trees.

Some of the trees appear to be elm trees. Park benches and a paved walk are at the edge of a large body of water at the right. An American flag flies from a metal tower.
