Basic Detail Report

Title Up Neck in 1825

Date about 1890

Primary Maker Unknown

Medium Drawing; pencil and ink on lined wove paper

Description Manuscript map of the Hartford, Connecticut, area known as "Up Neck." This map shows the northern part of the Neck, from Belden's Lane in the south to the city line of Windsor in the north, and marks with open squares

residences, the state arsenal,and a cemetery. The names of homeowners and businesses are provided. There are several roads or lanes noted on the map, most of them labeled with the town or natural feature to which they lead ("Road to Windsor," "To Albany," "To the Meadow"). Mile 1, 2 and 3 are marked on the map as well.
