

Basic Detail Report

squares representing houses and labeled with the owner's or occupant's name,

as they appeared between 1633 and 1650. The settlement extends from the

Farmington River to the north, the Connecticut River (called the Great River on

the map) to the east, and residences to the south and west. Physical features

include Hoyte's Meadow, Mr. Phelps Meadow, North West Field, Rocky Hill and

the Great Meadow. Elevation is conveyed with hachure marks.
