Medium Lithography; black printer's ink and watercolor on paper, lined with linen

Description Map of Ohio and part of Lake Erie. The boundary lines are marked with broken solid lines and pink watercolor. There is a network of lines, colored

green, and one colored red, that show the state's network of canals. None of the places on the map are labeled; instead, there are numbers and letters, some marked with circles, that correspond with information in the key, published separately from the map. Natural features include rivers, the lake and islands.
