

This is a historical map of New England, showing the states of Maine, New Hampshire, Massachusetts, Connecticut, and Rhode Island. The map is oriented with North at the top. It features a grid of latitude and longitude lines. The Atlantic Ocean is to the east, and Long Island Sound is to the south. The map includes numerous place names, rivers, and geographical features. A small inset box in the lower right corner contains text about the map's scale and projection.

NEW ENGLAND STATES.

Scale: 1 inch = 50 miles

Projection: Mercator's

Published by J. H. Colver, New York

Date 1830

Basic Detail Report

Primary Maker H. & F. J. Huntington

Medium Engraving; printer's ink on wove paper

Description Map of the New England states of Maine, New Hampshire, Vermont, Massachusetts, Connecticut, and Rhode Island from Lake Saint John and the Saint Lawrence River to the north; Passamaquoddy Bay to the east; the Atlantic Ocean south of Long Island to the south; and the eastern part of New York state to the west. Distances from Boston are indicated at the right. An explanation shows how CAPITALS, Chief Towns, and Small Towns are indicated on the map. Longitude is given east from Washington.
