Basic Detail Report

Title Town of Newington Water Distribution System

Date 1998

Primary Maker Metropolitan District Commission

Medium Lithgraphy; black and colored printers inks on wove paper

Description Map of the town of Newington, Connecticut with West Hartford and

Hartford to the north, Wethersfield and Rocky Hill to the east, Berlin to the

south, and New Britain and Farmington to the west. Streets, railroads, streams, and ponds are shown with water mains indicated in red. A Water Service Legend at lower right provides a key to hydrants, hydrants subject fo pumped pressure, gate valves (sixteen inch main or larger), MDC water mains (less than six inches in diameter, six to twenty-three inches in diameter, and twenty-four inches or larger in diameter), private water mains, limit of high service, and limit of high service second stage. Hydrants located on private water mains are not shown. An index of Newington streets is at upper right. The boundary of the MDC is indicated to the west and south.

Dimensions Primary Dimensions (image height x width): 29 1/2 x 23in. (74.9 x 58.4 cm) Sheet (height x width): 30 x 24in. (76.2 x 61cm)
