Basic Detail Report

Title Town of Rocky Hill Sanitary Sewer System

Date 1998

Primary Maker Metropolitan District Commission

Medium Lithography; black and colored printer's inks on wove paper

Description Map of the town of Rocky Hill, Connecticut, with Wethersfield to the north, the Connecticut River and Glastonbury to the east, Cromwell to the south, and Berlin and Newington to the west. Sewer lines are indicated in red. The Metropolitan District Commission Water Pollution Control Facility is in the northeast part of town. Some sewers to the west and south are tributary to the Mattabessett District Water Pollution Control Facility. The Vexation Hill Water Storage Tank is in the northwest part of town. Other prominent features include Dinosaur State Park, Rose Hill Memorial Park, and the Veterans Hospital. Streets, railroads, streams, and ponds are shown. A Sanitary Sewer Legend at lower right

Basic Detail Report

provides a key to sewers six to twenty-three inches in diameter, sewers twenty-four inches or large in diameter, force mains, manholes, pump stations, and pump station service areas. An index of Rocky Hill streets is at the right.
