Basic Detail Report

Title Map of the City of Hartford

Date 1956

Primary Maker Engineering Department (Hartford, Conn.)

Medium Cyanotype; blueprint on wove paper

Description Map of the city of Hartford with West Hartford to the west, Bloomfield and Windsor to the north, the Connecticut River to the east, and Wethersfield to the south. Streets, highways, rivers, ponds, and parks are shown. Small circles indicate trees. Brainard Field and the Metropolitan Distict Sewage Treatment Plant are at lower left. The city is divided into enumeration districts and the districts are numbered. Some numbers are crossed out. Numbers HA-1 to HA-40D are in circles. A scale of miles and a compass pointing to true north and magnetic north are at lower center. The map is oriented with north at the right.
