

Basic Detail Report

Title House on Lafayette Street, Hartford

Date before 1882

Primary Maker Edwin Whitefield

Medium Drawing; pencil and watercolor on lined notebook paper

Description Large flat stones lead to the doorway of a colonial saltbox house.

The frame house has center chimney and a back ell. A small tree, possibly an elm, is to the left of the door. A board fence is to the left of the house. A second house immediately to the left is indicated in pencil and inscribed "Brick house."

Additonal buildings and a factory smokestack are in the right background.
