

Basic Detail Report

Title James Wadsworth House, Farmington

Date before 1882

Primary Maker Edwin Whitefield

Medium Drawing; pencil and watercolor on lined notebook paper

Description A door with pilaster strips and transom light over it is on the gable end of a two and a half story house. The gable end has a deep overhang with brackets beneath it. The house has a brick chimney and a small added lean at the back. It is surrounded by a grassy lawn and a path, apparently dirt, leads to the entrance. A line of fence posts is at the right. The street is below and to the left, with additional buildings, trees, and a field.
