

Basic Detail Report

Title Wethersfield: The Old Village

Date 1974

Primary Maker Philip Lohman

Medium Lithography; brown printer's ink on wove paper

Description Map of the village of Wethersfield, Connecticut, depicting the mid-twentieth century appearance of the village, with the buildings and street system as they looked pre-1840. 116 buildings are shown and numbered, with each number corresponding to a list containing information about the original owner, date of construction, and the street on which the building was located.

Basic Detail Report

Natural features include the Wethersfield Cove and the Connecticut River, both depicted at the top. At the bottom is historical information about Wethersfield and descriptive information about the map.

Dimensions Primary Dimensions (image height x width): 30 x 30 1/4in. (76.2 x 76.8 cm) Sheet (height x width): 31 x 31in. (78.7 x 78.7cm)
