

Basic Detail Report

Title Profile of the Navigation from Northampton to Hartford

Date Probably 1828

Primary Maker Unknown

Medium Engraving; black printer's ink on wove paper, with paper cover

Description Profiles, including locks, of the Farmington Canal and Hampshire

and Hampden Canal. The top profile shows the canals from the Connecticut

River north of Northampton, Massachusetts, to New Haven, Connecticut. The

bottom one shows the profile from the Connecticut River north of Northampton

to Hartford, Connecticut. In the top left is a profile of the number of locks from

Horthampton to New Haven and Northampton to Hartford. The sheet is adhered

to a paper cover that has an explanation of the profile printed on the inside.

Dimensions Primary Dimensions (image height x width): 5 1/8 x 19 1/2in. (13 x

49.5cm) Sheet (height x width): 6 1/8 x 20 1/4in. (15.6 x 51.4cm) Other (Cover,

height x width): 6 3/4 x 5 3/8in. (17.1 x 13.7cm)
