

Basic Detail Report

Title Folk Dancers at on a Wooden Platform, probably on Homeland

Day, June 13, 1914

Date 1914

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin emulsion on glass

Description In the foreground, men and women in ethnic costumes dance on a low wooden platform. Two men are playing fiddles or violins; two other men stand in the corner looking on. In the background, men in uniform are seated on a high wooden platform. They are playing musical instruments. Spectators sit on the grassy lawn.

Dimensions Primary Dimensions (height x width): 3 1/8 x 4 1/8in. (7.9 x 10.5cm)
