Basic Detail Report

Title Stephen Pierson Cheney on Porch of Log Cabin

Date about 1914

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description Stephen Pierson Cheney stands on the porch of a small log cabin in the woods, leaning on one of the roof's support beams. The cabin has four support beams, evenly spaced across the front of the porch. The door of the cabin sits wide open. There is a canoe resting on the ground in the foreground, turned over.
